## dialogue 4.0

the wing luke  
asian museum

now through september 4th, 2005

### women and violence

is a courageous view on the issue of violence toward women, particularly women in the asian pacific american community. addressing historical and root causes, types of violence and abuse, and community response and action, this exhibition was created to present the issues objectively and provide a space for dialogue and feedback.

exhibition topics include:

- history of violence against women
- women as sex objects
- sexual abuse
- exoticism
- servanthood
- stereotypes on asian women
- economic & workplace inequalities
- women and war
- domestic violence
- trafficking
- community responses

for more information please visit  
[www.wingluke.org](http://www.wingluke.org) or call 206.623.5124

a night of performances  
dedicated to ending  
the cycle of domestic violence
